Welcome from the Principal

On behalf of the Governors, Trustees, Senior Team and the community of Sir John Deane's Sixth Form College, I am delighted to welcome you to our annual evening of recognition and celebration.

The individuals we celebrate here tonight have all made a significant contribution to the life of the College. They have embraced the opportunities they have been given to excel academically, to enrich themselves and those around them and overcome personal challenge.

These award winners embody all that we cherish and hold dear. They are curious, caring and responsible in ways that humble us all.

I share your pride and delight in these wonderful young people and all they have accomplished.

With warmest wishes,

Christopher Atherton
Principal
