### Cost

The annual cost is payable in 10 monthly instalments. The first instalment, in September 2026, is £107. This will be followed by nine further instalments of £102, with the final payment being made in June 2027.

### Financial Commitment

A twelve-month commitment is required to use the service and pay the ten monthly instalments for the annual cost in full. We do not offer a pay-as-you-go service. Parents of students enrolled at the college who wish to terminate their contract during the year do so on the understanding that the remaining portion of the annual cost will still be payable.
